

## DEAR FAMILY AND FRIENDS OF CAMA WOODLANDS!

I hope you are getting ready for our **40th anniversary party** on Sunday August the 8 2010 @ noon until 4 p.m. The formal portion of the day will begin @ 1 p.m. in the Gazebo.

There will be food and fun for the kids and visits with the residents. We hope to see you all there. Until then, have a great summer.

Last week we had a small smoldering fire in a flower planter outside the front entrance of the building. This is the second time that this has occurred. For those of you who smoke it is important to remember that your cigarettes will catch on fire even in a dirt container. Please put the cigarettes out in your car before entering into the building.

It is also important to know that leaving them on the red ground cover will cause the wood chips to ignite and smolder as well.

The safety of the Residents is our overall concern as I am sure it is yours.....thank you for your attention to this matter.

Please set aside Sept 08 @ 7pm for our Family Meeting.

Arlene

### FAMILY VOLUNTEERING

With family time more important than ever, & while families are busier than ever, families are still looking for ways to spend time together, share important values, & the experience of helping others.

Family volunteering is about volunteer activities carried out by members of a family to enrich the lives of our residents. For parents seeking to introduce their children to the values of caring for others and being part of community, family volunteering provides a remarkable way to practice – together – what they preach.

It is the “togetherness” aspect of family volunteering that makes it such an attractive volunteering option.
