

DEAR FAMILY AND FRIENDS OF CAMA WOODLANDS!

Things continue to be very busy at CAMA. We continue to work on pre authorized payments for Families and direct deposit for staff. We are also reviewing some computer programs for staff scheduling. It really has become a technology priority world.

At the same time we continue to negotiate with the Ministry of Health for the purchase and sale of St. Olga's in Hamilton and the objective if all goes well is to take ownership on January 1 2011.

During all these changes the day to day operations of CAMA continue. The **BAZAAR** is looming on the horizon on *Saturday, November 13 from 9 a.m. 'til 1 p.m.* CAMA elves are busy making Christmas crafts for the sale. We are prepping for our second annual *Christmas Concert on December the 15th @ 6:30 p.m.* Notices for both of these things will be advertized for you and Halloween decorations are being put away to be replaced by Christmas spirit. Some of our Residents will have participated in Veterans day services inside the Home and some will be attending outside the Home.

And of course our [Christmas Holiday Lunch](#) will be on *Sunday December the 12th @ 12:30 p.m.* Please do not forget to call for reserved seating.

From all of the staff here at CAMA, we wish you all a holy and healthy and safe Christmas.
Arlene

HOUSEKEEPING AND LAUNDRY

With the new season upon us, there is no better time than now to bring in the warm clothing. Colder weather is already in the midst, it is the perfect time to go through your family members clothing and remove the summer/spring clothing and bring in the fall/ winter clothing.

If you find that you have no or little storage for your loved ones personal belongings, whether it is clothing or other personal affects, check out a new service being provided by a company named "Storage Spot". For more information on this company and their services, visit them at our annual bazaar.

Don't forget to check out our lost and found cart located in the service area outside the laundry room. We are also asking that any new articles of clothing be put into the white plastic bags located in the resident's wardrobes. If you have clothing that needs to be labeled and there is no bag in the wardrobe, please see laundry staff for a new one.

(make sure the name is put on the front of the bag).

One last thing, because we can not always catch articles of clothing going through the wash that perhaps should not, e.g. wool sweaters, we ask that you bring in clothing that is wash and wear (no dry clean items please).

Thank you for your cooperation and have a great winter!

Thanks very much for all your support for
CAMA Woodlands.

Yours Truly,
ARLENE LAWLOR, ADMINISTRATOR
